

We currently have over 130 people in our Virtual Patient Participation Group (VPPG).

We occasionally send our VPPG group emails from time to time asking for your thoughts and experiences.

If you would like to join our VPPG please complete our contact form, and as it would be helpful to know the profile of our group we would appreciate if you could give us:

The surgery to which you belong (Milford or Wistaria)

The age band that you fall into.

under 20, 20 – 39, 40 – 59, 60 – 79, over 80

Any information that you give us is strictly confidential.

We would like to stress that the Virtual PPG and the PPG Committee are separate bodies from the Surgeries, and any emails will be from and to the PPG and will not involve the Practice Manager.
